We refer to your Import Inspection Request nrIIR/ ./..... of, 201 on the above consignment that awaits clearance with MRA.

We advise that you are only **conditionally** allowed to have the goods released with the Malawi Revenue Authority solely for storage in your warehouse whilst we (Malawi Bureau of Standards) test and assess compliance of the samples of the goods drawn with their relevant mandatory Malawi Standards. **You should therefore notify us immediately after clearance with MRA so that we inspect and sample from the consignment.**

Please note that you are not allowed to start selling the goods before we certify them. Any breach of this order is a serious punishable offense under the **MBS Act (CAP. 51.02)** and the regulations thereof.

The import quality monitoring charges are **MK.....** payable upfront as per our invoice nr.....and receipt nr..... attached.

We look forward to your utmost cooperation.

Yours faithfully
